to me

Dear Sir/Madam,

Dear Sir,

Greetings from the **National Digital Library of India (NDLI)**, a **Ministry of Education, Govt. of India** project; being developed and implemented by **IIT Kharagpur**; with a vision to build a National Knowledge Asset that would function as a key driving force for education, research, innovation, and knowledge.

Started by the **Ministry of Education, Govt. of India**, as a part of the Digital India initiative in 2015, NDLI has come a long way, from being a simple idea being nurtured at IIT Kharagpur, to becoming a movement in its regard. NDLI currently is the **largest, single-window, free digital learning repository** in India & Asia, hosting over **10.5 million+ content** in more than **39 Indian languages** covering all segments and age groups of learners.

NDLI has many contents not only from Engineering, Law & Management, and Medical Science, but also other domains, which are useful for your students in enhancing their knowledge, and curiosity enabling them to prepare for various educational-level and **competitive examinations**.

The **NDLI Club**, an extension of the National Digital Library of India, actively engages educators and students and provides a platform through its 5C's model of Create, Contribute, Conduct, Collaborate & Compete; doing an initial hand-holding that provides encouragement and recognition to the various qualities of the students. Also, this is the **only online platform** for the institutes to conduct and keep records of various club-based activities **to fulfil the NEP-2020 mandate**. It aims to help every learner in the educational institutional ecosystem to become a creator, disseminator, and progenitor of knowledge.

Over the years, your esteemed institution has been a pioneer in imparting education and has shaped the lives of countless students. We at NDLI Club would like to thank you for your invaluable contribution. We invite your institution to become part of this movement and transform learning together. We hope that our association will positively impact your institute's education and learning system.

After goin through this mail please get back to our senior outreach manager Mr. Dubbendu Chakrabarty (9853804916) for further help and support.

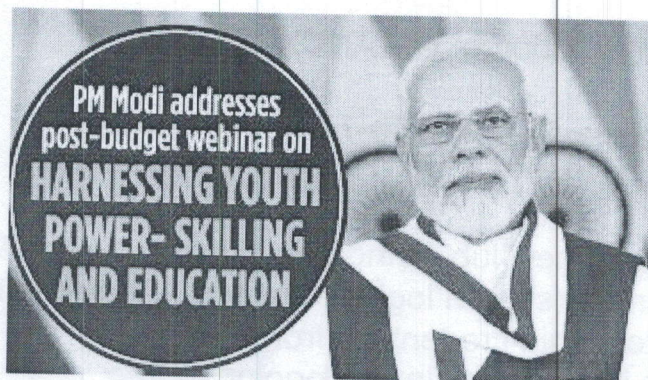

Thanking you,

Your NDLI Club Helpdesk Team,

We hope this response has sufficiently answered your questions. If not, please do not send another email. Instead, reply to this email or [login to your account](#) for a complete archive of all your support requests and responses.
