Constitution of Student Counselor Committee

A Student Counselor committee is functioning in our institute with the following objectives:

- Offering guidance and support to students facing personal, academic, or emotional challenges, ensuring their overall well-being.
- Assisting students with academic planning, career goals, and study strategies to enhance their performance and success in their courses.
- Addressing and mediating conflicts between students or between students and faculty, ensuring a harmonious learning environment.
- Promoting mental health awareness and providing resources to students who may be experiencing stress, anxiety, or other mental health issues.
- Educating students about the importance of maintaining a balanced lifestyle, including physical health, nutrition, and stress management techniques.
