Transport Facility

Strategically located on the **Outer Ring Road, opposite the BDA Complex in Nagarbhavi**, our institution offers unparalleled accessibility for all stakeholders. Situated centrally between the major transit hubs of **Kengeri and Goraguntepalya**, the campus is a focal point for the city's extensive public transportation network.

Students and staff benefit from **high-frequency bus services** across more than eight distinct routes, ensuring seamless connectivity throughout the work week. Furthermore, the college is highly accessible to students from neighboring taluks such as **Bidadi and Ramanagara**, with local train stations situated within a 5 km radius. For those residing across different sectors of Bengaluru, **Green Line and Purple Line metro stations** are conveniently located within 3 km of the campus. This robust multi-modal transport infrastructure—combining bus, rail, and metro—minimizes commute times and ensures that our institutional resources remain easily accessible to a diverse and widespread student population.
