Internship policy

Initiatives related to Industry Interaction

The college is dedicated to providing high-quality education to address the evolving needs of industry, society, and the environment. Additionally, it is registered on the AICTE Internship Portal, with a designated coordinator responsible for managing MOUs, student registrations, approvals, and related tasks.

Here are the initiatives undertaken to enhance industry interaction:

- MOUs have been established between the institute and various industries to offer internship opportunities, workshops, and value-added or certification courses.
- Industry experts will be invited to conduct technical talks on industry-relevant practices, helping students gain valuable insights for improved placement prospects.
- Students will be sent to industries to develop practical, industry-specific skills.
- Internship programs led by industry professionals are organized at the college level.
- Industrial visits are arranged to provide students with firsthand exposure to real-world industry environments.

Initiatives related to Industry Internship/Summer Training

1. Industrial Training/Tours for students

College regularly arranges industrial visit to our students once in a year to companies to improve the practical knowledge of students and also to get better knowledge about the latest technologies.

Academic Year		Date	Sem	Name of Industry Visited	No.of Students
2025	July2025-Jan2026	25/07/2025	3rd	Dyashin, Kanakapura road	100
2025	July2025-Jan2026	27/11/2025	5th	Istrac Isro in peenya, Bangalore	120

Industrial Visits arranged

0. Internship /summer training and post training Assessment

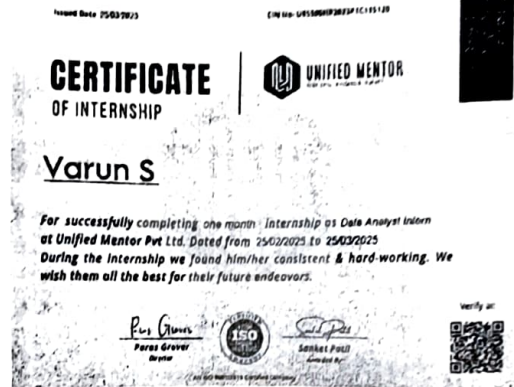

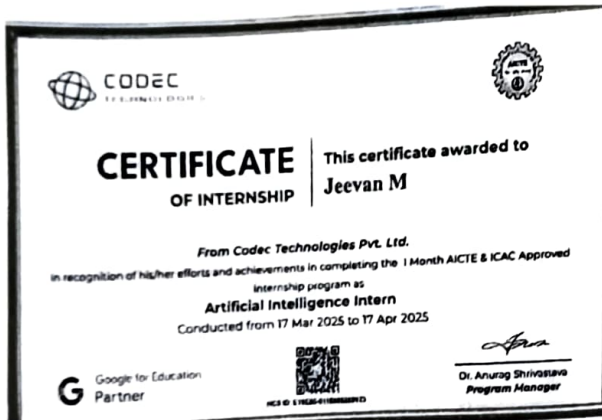

Students are encouraged to pursue internship programs during their semester breaks. Faculty members offer guidance, suggestions, and contact information for potential internships. They also assist by connecting students with industry experts, providing recommendation letters, and offering other necessary support. The university has made student internships mandatory as part of the curriculum.

Impact of Industrial Training/Internship:

- Students are exposed to an entrepreneurial mindset.
- They gain practical knowledge that complements their theoretical studies.
- Students stay updated on the latest developments in the industry.
- They enhance their communication skills and gain insights into industry requirements and the use of modern tools.
